NBI Target 2028 Investment Grade Bond Fund - ETF Series

Investment Objective

To provide current income and preserve capital over a predetermined time period. The fund invests, directly or indirectly through investments in securities of other mutual funds, in a portfolio comprised primarily of investment-grade bonds of North American companies with an effective maturity in 2028. It is anticipated that the fund will terminate on or about November 30, 2028 or such earlier date upon not less than 60 days' notice to unitholders.

NBI Target 2028 Investment Grade Bond Fund - ETF Series

Disclosure

NBI ETFs are offered by National Bank Investments Inc., a wholly owned subsidiary of National Bank of Canada. Commissions, management fees and expenses all may be associated with investments in exchange-traded funds (ETFs). Please read the prospectus or ETF Facts document(s) before investing. ETFs are not guaranteed, their values change frequently and past performance may not be repeated. ETF units are bought and sold at market price on a stock exchange and brokerage commissions will reduce returns. NBI ETFs do not seek to return any predetermined amount at maturity. Index returns do not represent NBI ETF returns. The indicated rates of return are the historical total returns for the periods including changes in unit value and reinvestment of all distributions and do not take into account redemption, commission charges or income taxes payable by any unitholder that would have reduced returns. Past performance may not be repeated.
