NBI Conservative Portfolio

Investor Series (NBC922)
Category: Global Fixed Income Balanced

Investment Objective

To ensure high current income and some long-term capital appreciation. To achieve this, it invests primarily in a diversified range of fixed income and equity mutual funds (which may include exchange-traded funds ("ETFs")).

Who is this fund for?

Investors who:
— are looking to invest for the short to medium term (at least one year);
— are looking for a turnkey solution composed of several asset classes in order to achieve a fully diversified portfolio;
— are looking for a high level of current income and some long-term capital appreciation.

Subscriber Rights

Under the securities law in some provinces and territories, you have the right to:
— withdraw from an agreement to buy mutual fund securities within two business days after you receive a simplified prospectus or Fund Facts document; or
— cancel your purchase within 48 hours after you receive confirmation of the purchase.

Disclosure

NBI Mutual Funds (the “Funds”) are offered by National Bank Investments Inc., a wholly owned subsidiary of National Bank of Canada. Commissions, trailing commissions, management fees and expenses all may be associated with investments in the Funds. Please read the prospectus of the Funds before investing. The indicated rates of return are the historical annual compounded total returns which include changes in the value of securities and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The Funds’ securities are not insured by the Canada Deposit Insurance Corporation or by any other government deposit insurer. For money market funds, there can be no assurances that a fund will be able to maintain its net asset value per security at a constant amount or that the full amount of the investment in a fund will be returned. The Funds are not guaranteed, their values change frequently and past performance may not be repeated.
