# NBI Target 2030 Investment Grade Bond Fund

Series

Category: Global Corporate Fixed Income

#### **Investment Objective**

To provide current income and preserve capital over a predetermined time period. The fund invests, directly or indirectly through investments in securities of other mutual funds, in a portfolio comprised primarily of investment-grade bonds of North American companies with an effective maturity in 2030. It is anticipated that the fund will terminate on or about November 30, 2030 or such earlier date upon not less than 60 days' notice to unitholders.

### Calendar Returns (%)

Regulations restrict the presentation of performance figures until a fund reaches its one - year anniversary.

### **Annualized Returns (%)**

Regulations restrict the presentation of performance figures until a fund reaches its one - year anniversary.

<sup>&</sup>lt;sup>†</sup>The rate of return anticipated on a bond if it is held until the maturity date expressed as an annual rate. It is assumed that all coupons are reinvested at the same rate.

<sup>&</sup>lt;sup>‡</sup>Annual income paid by a bond or a stock, expressed as a percentage of its current market price. It does not include any capital gains or losses that may be realized upon maturity.

As at July 31, 2025

#### **Disclosure**

NBI Mutual Funds (the "Funds") are offered by National Bank Investments Inc. an indirect wholly owned subsidiary of National Bank of Canada and sold by authorized dealers. Commissions, trailing commissions, management fees and expenses all may be associated with investments in the Funds. Please read the prospectus of the Funds before investing. The indicated rates of return are the historical annual compounded total returns which include changes in the value of securities and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The Funds' securities are not insured by the Canada Deposit Insurance Corporation or by any other government deposit insurer. For money market funds, there can be no assurances that a fund will be able to maintain its net asset value per security at a constant amount or that the full amount of the investment in a fund will be returned. The Funds are not guaranteed, their values change frequently and past performance may not be repeated.
